S138169 D045067 Fourth Appellate District, Div. 1 **S. (JOSHUA), ADOPTION OF**
Additional issues ordered

The parties in the above-entitled matter are requested to address these additional issues: (1) Does Code of Civil Procedure section 1021.5 authorize an award of attorney fees against a litigant who done nothing to adversely affect the rights of the public or a substantial class of people other than raising an issue in the course of litigation over private rights and interests that results in an important appellate precedent adverse to that litigant? Would case law and legislative history support such an award? (2) What significance if any to a party's eligibility for section 1021.5 attorney fees in a family law case is the fact that the Family Code contains numerous attorney fee statutes? (See e.g., Fam. Code, sections 270, 2030, 3028, 7640.) Is there any basis in the Family Code or elsewhere, other than section 1021.5, for Annette's recovery of attorney fees? The parties are to submit simultaneous letter briefs by May 11, 2007, and may submit reply briefs by May 25, 2007. George, C. J., was absent and did not participate.

S143326 F046252 Fifth Appellate District**DINUBA, CITY OF v. COUNTY
OF TULARE**

Additional issues ordered.

The parties are requested to address these additional issues: (1) In light of the parties' agreement that the county has a statutory duty to properly allocate and distribute property taxes, may the City seek relief via a writ of mandate (Code Civ. Proc., § 1085)? (2) If so, what disposition would be appropriate here given that no writ of mandate claim was made in the City's second amended cocomplaint? The parties are to submit simultaneous letter briefs by April 25, 2007, and may submit reply briefs by May 2, 2007.
